Ultra Voice Pagers

FEATURES AND BENEFITS

The Boomerang Ultra Voice Paging System upgrades your pagers with a personalised voice message option to the standard vibrate, tone, flash pager. You can now add your own individual messages for your customers, such as

“Thanks for choosing our restaurant, your table is now ready”
“Thank you for dining with us, your meal order is now ready”

The Boomerang Ultra Voice Pager is ruggedly constructed to survive in tough environments. It has an IP54 rating which means it is water and dust resistant.

It also has an advertising panel to help drive your sales and promote your events.

IP54 RATED - Dust & Splash Proof

Tested to over 10,000 impact drops and still maintains full functionality
